

# *Central Coast Audiology is Redefining Audiology and ENT Care!*

**Jennifer Keir-Garza, MD | Robert Pettit, MD | Laurel Hinton, Au D.**

are joining forces to expand the services available at *Central Coast Audiology*.

In addition to the care of Auditory diseases we will now be providing  
Otolaryngology consultation and Head & Neck Surgery.

*(from left to right)*

**Dr. Jennifer Keir-Garza** is board certified in Otolaryngology, Head & Neck Surgery. She graduated from University of Texas Medical School and completed her residency at UT; she trained in the Texas Medical Center and MD Anderson Cancer Center in Houston, Texas—home to the world’s largest medical center. She has over 20 years of experience and specializes in thyroid, parathyroid and endoscopic sinus surgery as well as cancer of the head and neck and facial rejuvenation.

**Dr. C. Robert Pettit** is board certified in Otolaryngology and has accumulated over 35 years of experience in the field. He is a graduate of Stanford University, UCI Medical School, and completed his residency at UC San Francisco where he also taught auditory theory and the diagnosis of dizziness for multiple years. His primary area of interest is treatment of diseases of the ear and he specializes in hearing loss, dizziness and balance disturbances.

**Dr. Laurel Hinton** founded her private practice—*Central Coast Audiology*—in 2003. She has an accumulated 25 years of experience and is the leading audiologist at her practice. She studied at the House Ear Institute in Los Angeles, specializing in auditory diagnostics and hearing aid fittings. The success of her clinic in Monterey inspired her to open the doors of a new clinic in Salinas to accommodate demand and meet her patients needs.

*We are now accepting new patients!*
